

Teresa Williams, MSW, LCSW

Senior Vice President

Care at Home

teresa.williams@paradigmcorp.com

Undergraduate Degree

Georgia Southern University

Graduate Degree

Florida State University

Teresa Williams is a Licensed Clinical Social Worker with over 25 years of medical social work and ER Triage experience. Teresa received her Bachelor of Social Work from Georgia Southern University and her Masters in Social Work from Florida State University. She received her LCSW licensure 2 years post graduate work. Her work experience includes over 15 years of medical-psychiatric services in a hospital setting working with acutely mentally ill and traumatic brain injured patients. She has over 15 years administrative experience in a hospital setting serving as Director of Medical Psychiatric Services for a large hospital system. Teresa moved into the Workers' Compensation arena over 18 years ago by starting a private Medicare Set-Aside business. The business was successfully sold in 2008. Since 2011, Teresa has served as CEO of Home Care Connect, which has now transitioned to Paradigm's Care at Home after a successful acquisition in December 2021. Teresa provides Operational and Clinical Oversight of the Home Health, Post-Acute and DME Products. Teresa believes Paradigm is the perfect partner, because of their wholistic and comprehensive approach to the care of the injured worker. Other areas of expertise include: Credentialed to teach continuing education classes; administrative triage, operations, sales and strong management skills and experience.

Memberships and Organizations: LCSW, NASW (National Association of Social Workers); Big Brothers, Big Sisters (serving as a mentor to a little brother for over 12 years); Board Member for La Amistad, a residential treatment center providing care for individuals with mental health disorders and brain injuries and Board Member for the Coalition of the Homeless of Central Florida. Teresa's interest include traveling, art, music, philanthropy, independent film and running (with 30 marathons to date).
